Volume LVI, no. 1
Published March 2018
Design by Jak Katalan
Layout by the Editor
Printed by Dolce Printing, Maywood, New Jersey

The mission of *Master Drawings* is to present the best and most important new research and reviews in the field of drawings, from the fourteenth century to our own time in Europe and the Americas. The journal is primarily concerned with the publication of newly discovered material, significant new reattributions, and fresh interpretations.
